**RE: Letter in support of the East London Shakespeare Festival's application**

For several years, we have been proud partners of the East London Shakespeare Festival (ELSF), working together to bring high-quality, accessible theatre to our community in south Leytonstone —especially to families who may not otherwise have the opportunity to experience live performance. Our collaboration has helped ELSF deepen its local impact. We provide vital match funding and in-kind support, including access to our amphitheatre and wider venue spaces. Through this partnership, we continue to create welcoming, joyful cultural experiences that strengthen community bonds and ensure that exceptional theatre is available to all. We are looking forward to continuing our partnership in 2026.

Yours faithfully,

Helen Crockford
